

## **1-year Certificate in Therapeutic Teaching (p/t)**

**2017 - 2018**

**Do you want to work therapeutically with children and young people who struggle to learn due to emotional and behavioural barriers?**

**Do you want to help them flourish - personally, socially and academically?**

**Would you like some training in this specialist area but cannot commit to our 4-year Advanced Diploma?**

If so, take a look at Caspari's **1-year Certificate**, which will equip you with knowledge, skills and insights from the field of educational psychotherapy.

### **Who should enrol?**

The course is targeted to teachers, educational psychologists, learning mentors and nurture group practitioners alike. It is designed to enable you to help children and young people who have experienced significant challenges to make sense of their troubled world and to learn to thrive.

Our **Certificate** follows the first year of the Advanced Diploma teaching modules on the same evening (currently Thursday).

### **How much does it cost?**

£2,800 (for 2017-18 academic year)

### **Where is the training held?**

At Caspari Foundation premises

### **More information**
